

Alina LITVINOVA

2nd Year Computer Science
Bachelor's Student, UFR MIM

ABOUT ME

Thoughtful and rigorous by nature, I am seeking a **software development internship for 2027**. I am particularly passionate about desktop application design (**Java, JavaFX**). I enjoy taking the time to structure a solid software architecture and write clean code to deliver reliable and polished tools.

TECHNICAL SKILLS

Main Languages:

- **Java**(POO, Junit), **SQL**

Desktop Development:

- **JavaFX**, **FXML**, **SceneBuilder**

Other Languages:

- **C**, **C++**, **C#**, **Python**, **JavaScript**, **PHP**, **HTML/CSS**, **AWK**

TOOLS & IDE

- **Git/GitHub**
- **Eclipse**
- **SceneBuilder**
- **Intelij**
- **Vscode**
- **Canva**

LANGUAGES

- Ukrainian ●●●●●●●●
- English ●●●●●○
- French ●●●●○○
- Polish ●●●●○○
- Chinese ●○○○○○

CENTRE D'INTERET

Sport : Gym
Video Games : Minecraft, Baldur's Gate
Literature: Reading and creative writing
IT : Coding personal projects

PROFESSIONAL PROJECTS

GAME CLUEDO

2026

Java, JavaFX, SceneBuilder, SQL/BDD, IHM

- **Implemented** Object-Oriented Programming (Java) and developed unit tests for business logic.
- **Designed** a Client-Server architecture to manage remote sessions / games.
- **Created** the Graphical User Interface (GUI) and integrated a database.

GAME TIC-TAC-TOE

2026

Java, JavaFX, SceneBuilder, FXML, draw.io

- **UX/UI Design**: Conducted user-centered analysis and competitive research, and prototyped interactive mockups.
- **JavaFX Development**: Refactored sequential code into event-driven programming.
- **Architecture**: Implemented the MVC pattern (using SceneBuilder and FXML) while preserving the original business logic.

WEB SITE "MYTHIFOX"

2025

PHP, MySQL, JavaScript, HTML/CSS

- **Designed** a secure authentication system and customizable user profiles.
- **Developed** a backend structure (PHP/MySQL) to enable category-based publishing and manage the logic of complex relationships (subscriptions, likes).
- **Leveraged** JavaScript to streamline the user experience during content interactions.

EDUCATION

Université de Lorraine
CS Major – 2024-2027

Zespół Szkół nr 1 im. ks. kard. S. Wyszyńskiego
Technological polish high school – CS major – 2020-2022
